Zdravím pánové máte někdo zkušenost? kde, na jak dlouho, za kolik, na co si dát pozor atp? uvítám cokoliv díky.

Petr_max500 31.08.2010 18:11:27

Na Zakynthosu nevím, ale na Krétě (taky řecko) je to naprosto v pohodě. Ceny kolem 35 Euro na týden. Půjčovny snad každých 100 metrů. Jezdí tam na tom každě a jsou jich plný cesty. Alespoň v Malii, kde jsem byl před 2 týdny, jich bylo až moc. Při půjčování si ale dej bacha, aby měli 100% pojištění. Některý půjčovny mají v podmínkách, že v případě ztráty či nehody část platí klient. Nejsou nijak levnější a tak je lepší se jim vyhnout. Ty co mají plné pojištění to píšou i na reklamních cedulích u půjčovny.

Jezdí tam na tom běžně bez přilby a i 3 lidi na jedné spolu. Jsou to ale samé malé čínské mrdky, pak hodně Kymco a občas je tam i Linhaj v normální velikosti jak je známe u nás. Ale těch je málo a půjčení je většinou dražší. Jo a vyplatí se půjčit na delší dobu, pak je cena nižší. Pár fotek mám tu:

http://maxximus.rajc...z/20100820_4k_kreta/

Dzejar 31.08.2010 18:17:09

tak ty asi neznaj Polaris, Cannam, Arcticcat a Journeyman :lol:

Kartkarel 31.08.2010 21:35:35

Jo 35 Euro za týden, to musí být překlep nebo nějaká forma vládní dotace, když jim všichni půjčují ty miliardy :lol: :lol: :lol:

Dzejar 31.08.2010 21:47:06

kromě Slováků, ty mají rozum... :lol:

Bubin 31.08.2010 22:11:57

Na Zakynthosu maj jen kimko 50 jezdí se tam všude půjčovny sou taky na kazdym rohu a pujceni soji asi 15-20 ecek na den jinak plati co pise Max500

marek.sm 31.08.2010 23:17:42

Co je super, že tam mužeš všude a nikomu nevadiš. Měl jsem linhaje, ale celou dobu jsem se bál, že se mi to rozpadne pod zadkem a nebudu nikomu schopnej udat přesnou polohu, aby pro mě přijel.

westik 01.09.2010 01:06:13

Jezdím do Řecku na Olympskou rivieru do městečka Paralia. V půjčovnách tam vedou vraky z činy nejhoršího kalibru v tech lepších maj Kymka max 250. Cena cca 20-30€ na 5 dní. V jedné prodejně jsem se ptal zda znají Can-Am, Polaris, Artic Cat. Ihned s pod stolu vyndal katalogy a už sipal data z rukávu. Ovšem katalog 5 let starej, takže XP850 Polarka - velká neznámá. Taky jsem tam viděl jezdit pár japíků (KAWA, Suzuki, Honda).
Petr_max500 01.09.2010 08:01:41

Ty malý čínský stroje jsou tam z naprosto jednoduchýho důvodu. Jednak jsou levný, ale hlavně jde o způsob využití 4kolky. Tam to funguje čistě jako přibližovadlo po městě. Prostě s tím jezdí do krámu, na pláž, do hospody a podobně. Neviděl jsme nikoho jezdit někde v terénu nebo to používat na práci. Proto je takovej Can-AM či Polaris pro ně absolutně nevhodnej. Je to velký, má to velkou spotřebu, je to drahý a je drahej i servis.
Bubin 01.09.2010 08:31:05

Max500> Přesně tak, nejsou rozmlsaní jak my :lol:
BudMXU 01.09.2010 12:40:47

35 euro za týden to je skoro zadarmo. Já platil u nás za půjčení 1500,- na 4 hodiny :-(
xsob 01.09.2010 19:14:44

BudMXU> Tak to bylo u Karla né :lol: Kájo sory ;-). Jinak souhlasím že je to za psu i když je to mrdka. Měl jsem půjčenou vodní skútr na výlet, dopoledne cca 4 tisíce.
LuKšARapToR 01.09.2010 19:54:13

Max500> na foto jsou i accessy
česťa26 01.09.2010 21:13:44

Max500> ja se vrátil zrovna dneska s krety taky sem byl na malia a tva slova mužů jenom potvrdit ja sice kolku neměl pučenou a musím říct každej druhej blazen na tom
PetrP 02.09.2010 06:14:18

Taky jsem byl na Krétě a můžu potvrdit cenu 35E na týden. Všechno to byly maloobjemové čtyřkolky, sem tam nějaký Linhai. Největší stroj, co jsem tam zahléhl byl Blade 425. Hodně strojů bylo dvoutaktních aspoň podle zvuku. Je pravda, že tolik čtyřkolek jsem zatím nikde jinde neviděl. Řekl bych, že jich tam jezdilo ještě víc jak skútrů.
BudMXU 02.09.2010 11:27:26

xsob> To nebylo u Karla.
PetrT30 03.09.2010 10:41:45

Já měl v Egyptě absták tak jsem se jel projet do pouště. Super zážitek! Je s podivem co ty stroje v tom prachu tam vydrží.
<http://img638.imageshack.us/img638/5107/img2193k.jpg>

mikrogen 12.09.2010 20:59:28

Zdravím vespolek, jsem velký fanda čtyřkolek a když jsem byl před třemi roky na severní Krétě, povedlo se mi půjčit i nějakou půllitrovou mašinu a byl jsem nadšený.

Letos jsem byl na Zakynthosu, kde se nic víc než 50cc nedalo sehnat. Podle prodejců je to tím, že "vláda zakázala" půjčování silnějších 4kolek než 50cc. Nevíte o tom prosím někdo něco bližšího? Moc by mne to mrzelo, ale přitom jak řekové lžou bych se moc nedivil, kdyby byl kec i toto. Díky za info, mikrák
[maartinek 26.04.2011 22:15:40](#)

rád bych oživil toto téma... přibyly někomu nějaké zkušenosti? opět se jedná o zakynthos - laganas. ... kolka nejlépe pro dva na procestování ostrova
[palo7 27.04.2011 07:05:36](#)

Řecké ostrovy na tom budou všechny podobně, malý objem, super cena, spousta půjčoven. Nekrade se tam, takže helmu a klíče můžeš klidně nechávat na 4kolce. Největší co jsem sehnal byl SYM 250. Větší rozdíl v ceně je v červenci a srpnu-versus zbytek sezony Toto jsou poznatky z Kréty a Korfu.
[leos2 01.03.2014 20:39:46](#)

Prosím o radu jak je to s jízdou na čtyřkolce v Řecku jedná se mi o pevninskou část v horách i v národních parcích, jízda pouze po ní cesty a značená šotolina žádné louky a podobné blbosti. Letos tam jedu tak abych neroutoval zbytečně zakazy. děkuji

A platonic relationship is a close bond without romantic or physical involvement. It focuses on friendship, loyalty, and emotional support. Halle and Jonah's platonic connection shows how people can care deeply for each other. There is no pressure or expectations of romance. This allows the friendship to remain pure and balanced. Platonic bonds often last long because they are built on trust. They are just as valuable as romantic relationships. <https://gailvoice.co...-platonic-soulmates/>
