We were exhausted from pretending to be someone else all day. The hotel room felt like a sanctuary, but an empty one. Then we called [Escort Service In Delhi Hotel](#) who promised to meet us exactly where we were. She walked in, saw our tired eyes, and simply held us. That gesture alone was intimate and bold. Physical pleasure that night was slow, deep, and healing. Our fantasy was simple: to be held without conditions. Orgasm came wrapped in safety and trust. We realized that trustworthy escorts don't just provide pleasure—they provide peace.
